

Dem Possess

Shatta Wale

The God wey create Adam and Eve
You for believe in oo
Don't put your trust in no man
I swear dem go kill you oo

The friend wey you get today
Go fi be your enemy tomorrow
I no go talk nobody story
I dey tell my life story oo

Sometimes you no understand
Why people just dey hate you oo
Dem go bully you as if
You dey you be no body

Dem no get some of your happiness oo
When dem see you dem vex oo
Dem wan break your neck oo
But dem break dem neck oo

Heeh

Demma mind no correct oo
E Le akee nwuwo wa ko
So dem no go fi do me foko yeah

Dem say dem be your paddy
But dem hate what you doing oo
For demma face you be hero
But for demma mind you be silly oo

You no go fi read forehead
Like you go see what dem dey thinking oo
And dem wish you no dey
So dem go take your position oo

We all dey share ideas
But dem no like your decision oo
But when Paq play beat
