Shatta Wale

And she will not forget me  
Riches nuh even no poverty  
She seh quality over quantity  
Loyalty over Royalty

She show me honesty  
Face all my penalty  
Nothing in this world can stop our legacy  
Love all my fantasies like a telepathy  
Anything she think bout like mi think bout it  
Ay Ay Ay  
Sweeter than cinnamon  
Gyal too loving only mi she want fe eat alone  
Mine mine mine  
Seh mi taste like a sweet apple  
Close your eyes babe peak-a-boo  
She nah watch car  
She nah watch jewelry  
She only want ice cream from pink berry  
She nah want no iPhone  
She nah want no blackberry  
She want the chocolate mixed with strawberry
