

MAN CALL GOD

Shatta Wale

Common for road because dis car you see no get braking pad
We just dey live because we never know rich dad poor dad
Dem say life be war many many enemy we kombat
If I for thank somebody I go thank me first yeah man

Because I tell myself I go make am
And I never give up I stay strong
So I focus till that day come
And all my money, I take go bank
I tell myself I go make am
And I never give up I stay strong
So I focus till that day come
And all my money, I take go bank

You never know say Man call God
My life no wan pause
You no go fit move me like tripod
I say man call God you no like go court
I say Man call God
I sacrifice my blood
You no go fit move me like tripod
I say man call God you no like go court

Before you mention my name in vain you for just dey guard
I never do you wrong so why you dey treat me bad
See pot weh dey call kettle black
Mi nuh talk but dem wan talk my back
Only God adey use to fight back
Volcano keep asking dem why that

But me I tell myself I go make am
And I never give up I stay strong
So I focus till that day come
And all my money, I take go bank
I tell myself I go make am
And I never give up I stay strong
So I focus till that day come
And all my money, I take go bank

You never know say Man call God
My life no wan pause
You no go fit move me like tripod
I say man call God you no like go court
I say Man call God
I sacrifice my blood
You no go fit move me like tripod
I say man call God you no like go court
