

My Level

Shatta Wale

My level ey
My level ey

Maybe today I no get nothing
But tomorrow I go get something
And I go buy motor for mama oh
But the enemy wan worry me
I go show all ah dem tragedy
No be today oo, no be today oo we start oo
So you for sing my song oo
You for keep am for long oo
Because you don't know the day weh Jesus Christ go come oo

So if you see me today
I know my level
I know my level
Oh my level
And if adey pop champagne today
I know my level
I know my level
Oh my level

The time adey waka dey waka yeh
Ame na ake gbomo be deka yeh
Lonely, lonely story
The time I buy my Toyota
Flossy ke ame ake be nyε na
What a lovely story
Adey live this life oo
Because I get my Bible oo
Because the blessings I get from The Most High be so great oo

So if you see me today
I know my level
I know my level
Oh my level
And if adey pop champagne today
I know my level
I know my level
Oh my level

Maybe today I no get nothing
But tomorrow I go get something
And I go buy motor for mama oh
But the enemy wan worry me
I go show all ah dem tragedy
No be today oo, no be today oo we start oo
So you for sing my song oo
You for keep am for long oo
Because you don't know the day weh Jesus Christ go come oo
