Frontline

Shaun Baker

It started with the pain, you shut me up,
Babe, you were the target!
Heat is coming down and you talk like it was a war.
Skies getting dark, there's a spark,
Tell me can you feel it?
And all that you know can suddenly go in a second.
Oho, oho,
No, I'm not a stranger!
Tell me, can you feel it?

Chorus:
Oho, oho,
No, I'm not a stranger!
Oho, oho,
Tell me, can you feel it?
Oho, oho,
No, I'm not a stranger!
Bring it on!
Yeah, yeah, yeah!
It's coming onto midnight!
Yeah, yeah, yeah!
When love is on the frontline.
You never thought that we could make it!
And I never thought there's something wrong!
Yeah, yeah, yeah!
When love is on the frontline.
Yeah, yeah, yeah!
Love is on the frontline.
Love is on the frontline.
Love is on the frontline.

Isn't that coming with the shock,
Baby gonna alarm you?
Life could be the dream caught between head and hair.
Tell me can you see through my eyes as love is wasting?
It happened so fast,
But I knew it would last all night.

Oho, oho,
No, I'm not a stranger!
Tell me can you feel it?
Oho, oho,
No, I'm not a stranger!
Bring it on!
Yeah, yeah, yeah!
It's coming on to midnight!
Yeah, yeah, yeah!
When love is on the frontline.
You never thought that we could make it!
And I never thought there's something wrong!
Yeah, yeah, yeah!
When love is on the frontline.
Yeah, yeah, yeah!
Love is on the frontline.
Love is on the frontline.
Love is on the frontline.

The ….in my eyes, I will make it!
Cause is only one love that I want by the end of tonight!
Yeah, yeah, yeah!
It’s coming on to midnight!
Yeah, yeah, yeah!
When love is on the frontline.
You never thought that we could make it!
And I never thought there’s something wrong!
Yeah, yeah, yeah!
When love is on the frontline.
Yeah, yeah, yeah!
Love is on the frontline.
Love is on the frontline.
Love is on the frontline.
