

# Run Away

Shaun Baker

It's getting very hard since the day  
He closed the door, he said: I don't want to stay  
I was in my bed, I didn't know what to say  
And while I was thinking I saw him going away

I got of the bed, I looked in my dream case  
I saw him with me while we were spending that day  
I opened my eyes and I heard him say  
I sing this song for you before I run away

I'm gonna like that [3x]

I turned on the tv to take my mind away  
I was blue inside, can't see the people play  
I couldn't live my life thinking of what he said  
I sing this song for you before I run away

Now I run in the streets and I don't know why  
I saw a thousand men in this never-ending night  
But next to a man I hear the voice again  
I sing this song for you before I run away

I sing this song for you [3x]  
Before I run away

I'm gonna like that [6x]
