

Let Me Down Easy

Shawn Desman

I know that it hasn't been perfect,
But every second was worth it
Don't give me your reasons
Don't tell me you're leavin'
Let`s not do goodbyes, cause my heart can`t take it

So if you have to hurt me,
Do it gently
And let me down easy
If you have to break me,
Baby, let me down easy

Cause the thought of waking up without you in my arms is killing me
Tell me how do I go on from here
I'm drowning baby
I can't breathe
I don't want to know a world without you
But if that's the way it has to be...
Then let me down easy

Don't know if I'll ever get through it
What happened to love as I knew it?
We spoke of forever
Girl don't you remember?
And now you're here telling me that this is the end

If you have to hurt me,
Do it gently
Let me down easy
If you have to break me,
Baby, let me down easy

Cause the thought of waking up without you in my arms is killing me
Tell me how do I go on from here
I'm drowning baby
I can't breathe
I don't want to know a world without you
But if that's the way it has to be
Let me down easy

Don't say it
Don't say it
Don't...
Don't say it
Don't say it
Don't...

I already know...

If you have to hurt me,
Do it gently
Let me down easy
If you have to break me,
Baby, let me down easy

Huh huh huh huh
Let me down easy

Huh huh huuh huh huh
Huh huh
Let me down easy...
