

# Shook

Shawn Desman

Yeah, ooooo, yeah, yeah, yeah,  
This girl she got me shook  
With her pretty brown eyes  
Sexy little thighs  
The way that she moves just gets to me  
Keeps shakin that thing, your making me sing  
She got just what I like  
Every day of the week, my baby's so sweet  
Come over here and turn off the lights  
We'll do it all night, your game is so tight  
This girl she got me shook

On my way to catch a flick  
Just me and my click  
Stand in line we're already late  
Cause the movie started at eight  
Look around trying to compass a seat  
Take the first one that I see  
Sit down and look beside, next to me this girl she blew my mind  
Can't concentrate, feeling sweaty, getting butterflies, getting dizzy  
Gotta keep it cool, gotta keep it slick, and remember she's just a chick  
Tell me what is this I feel inside, never felt this way before all right  
But I gotta keep it real tonight

This girl she got me shook  
With her pretty brown eyes  
sexy little thighs  
The way she moves just gets to me  
Keeps shakin that thing, your making me sing  
She got just what I like

Front row of the fashion show  
Lights down they're ready to go  
Lookin up at the runway  
Saw the girl from the other day  
She was sportin some silky gear  
Didn't expect her to be here  
Victoria's got a secret, she's the one I want to be with  
Can't concentrate, feeling sweaty, getting butterflies, getting dizzy  
Gotta keep it cool, gotta keep it slick, and remember she's just a chick  
Tell me what is this I feel inside, never felt this way before all right  
But I gotta keep it real tonight
