

## Crazy Love

Shawn Hook

I can hear her heart beat from a thousand miles  
And the heavens open every time she smiles  
And when I come to her that's where I belong  
Yet I runnin' to her like a river's song

She gimme love, love, love, love, crazy love  
She gimme love, love, love, love, crazy love  
She gimme love, love, love, love, crazy love  
She gimme love, love, love, love, crazy love

Crazy love

She got a fine sense of humour when I'm feelin' low down  
And when I come to her when the sun goes down  
Take away my trouble, take away my grief  
Take away my heartache in the night like a thief

She gimme love, love, love, love, crazy love  
She gimme love, love, love, love, crazy love  
She gimme love, love, love, love, crazy love  
She gimme love, love, love, love, crazy

Crazy love

Yeah, I need her in the daytime  
And I need her in the night  
And I want to throw my arms around her  
And kiss and hug her, kiss and hug her tight
