

# Back Down

Shawn James

Hold me down  
My vengeance roars  
Fools abound  
My patience folds  
Wanderlust  
My compass speaks  
Home awaits  
On this mountain's peak

Back down  
Back down  
Back down  
Back down

Praise our gods  
They breed deceit  
Truth is found  
Where lions meet

Back down  
Back down  
Back down

Justice reigns  
But not before  
Freedom rides  
On the back of war
