

# Brighter Day

Shawn James

I can see the pain in your eyes  
No matter how hard you try to hide  
I know that there's something going on in the back of your mind  
It's not that I'm trying to pry  
It's just that I know what it feels like  
To hide something deep down, something deep down inside

Oh, there's gonna be a brighter day

I've been watching your storm unfold  
I've been wondering how long you gonna hold onto  
All those ghosts that's been haunting you from your past  
You done chained yourself like a slave  
Digging up your own grave  
But you ain't gotta dig like that anymore

Oh, there's gonna be a brighter day  
Oh, there's gonna be a brighter day

Brighter day  
Brighter day  
Brighter day  
Brighter day

Oh, there's gonna be a brighter day
