

Choices

Shawn James

I've had choices since the day that I was born
There were voices that told me right from wrong
If I had listened, no I wouldn't be here today
Living and dying with the choices I've made

I was tempted, by an early age I found
I liked drinking, oh and I never turned it down
There were loved ones but I turned them all away
I'm living and dying with the choices I've made

I've had choices since the day that I was born
There were voices that told me right from wrong
If I had listened, no I wouldn't be here today
Living and dying with the choices I've made

I guess I'm paying for the things that I have done
If I could go back, oh Lord knows I'd run
But I'm still losing this game of life I play
Losing and dying with the choices I've made

I've had choices since the day that I was born
There were voices that told me right from wrong
If I had listened, no I wouldn't be here today
Living and dying with the choices I've made

Living and dying with the choices I've made
