

Crossroads

Shawn James

I went down to the Crossroads and called the devil by his name
He showed up and he took my hand saying boy you'll never be the
same

Before we go you better know there'll be hell to pay
I said I don't give a damn, so let's be on our way

He spun me around
Before I knew it my feet had left the ground

Now when I had my fun and the day was done I had demons swarmin
g round my head

I said devil you ain't said a word about these awful things I d
read

He said boy I'm the father of lies, believe that much to be tru
e

You signed a deal with the devil, now your days are numbered th
rough and through

He spun me around
Before I knew it my feet had left the ground

He spun me around
Before I knew it my feet had left the ground
