

# Haunted

Shawn James

When I go you know you can't follow me into the darkness  
Where I go you may not make it through the night  
Only those who aren't afraid to lose it all  
Are the ones who may make it out alive

Now I'm haunted, haunted, haunted, haunted by the ride  
I'm haunted, haunted, haunted, haunted by my stride

Father forgive them though they do know what they do  
The reason resides in the rise and the fall of these times  
Death and destruction, well I heard it on the news  
It's hard to know who to trust when these kings and these villa  
ins collide

Now I'm haunted, haunted, haunted, haunted by their lies  
I'm haunted, haunted, haunted, haunted by their eyes

No man knows how sweet and dear the morning light can be til he  
's suffered from the night  
No man grows til he tests his might against what his eyes can't  
see  
Then he'll truly spot his foes and be haunted, haunted, haunted  
, haunted by their eyes  
And be haunted, haunted, haunted, haunted by the ride

When I go you know you can't follow me into the darkness  
Where I go you may not make it through the night  
Only those who aren't afraid to lose it all  
Are the ones who may make it out alive
