

# The Devil's Daughters

Shawn James

Baby, I've been aching  
You know that it's been so long  
Out on these lonesome highways  
The devil's daughters call but I act like I ain't home  
They're singing "we won't give up"  
We won't give up  
We won't give up  
We won't give up

Listen before I go  
I've been around this block now once or two times before  
The path less often travelled holds more fortune at the end of  
the road  
We're singing we won't give up  
We won't give up  
We won't give up  
We won't give up

The devil's daughters  
The devil's daughters  
The devil's daughters  
The devil's daughters

All these lines have crooked ins  
Sink or swim, it never ends

All these lines have crooked ins  
Sink or swim, it never ends

All these lines have crooked ins  
Sink or swim, it never ends

The devil's daughters  
The devil's daughters  
The devil's daughters  
The devil's daughters  
We won't give up  
We won't give up  
We won't give up  
We won't give up
