Can't Imagine

Shawn Mendes

I can't imagine what a world would be
I can't imagine what a world would be
I can't imagine what a world would be

Without you, all the birds would stop their songs
Without you, all things right would feel so wrong

I can't imagine what a world would be
No, I can't imagine what a world would be
No, I can't imagine what a world would be

Without you, I'd always be alone
Without you, I don't know where to go

I can't imagine what a world would be
No, I can't imagine what a world could be
I can't imagine what a world would be
I can't imagine
I can't imagine, no
I can't imagine, no, what a world would be
Without you

I'd always be alone
I'd always be alone
Cool, that's good for now
