

# Can't Take My Eyes Off You

Shawn Mendes

You're just too good to be true  
Can't take my eyes off of you  
You're just like Heaven to touch  
I wanna hold you so much  
At long last, love has arrived  
And I just thank God I'm alive  
You're just too good to be true  
Can't take my eyes off of you

Pardon the way that I stare  
There's nothin' else to compare  
The sight of you leaves me weak  
There are no words left to speak  
So if you feel how I feel  
Please let me know that it's real  
You're just too good to be true  
Can't take my eyes off of you

I love you, baby  
And if it's quite alright  
I need you, baby  
For the lonely nights  
My, pretty baby  
Just know that it's true

Oh, pretty baby  
Don't hold me down, I pray  
I need you baby  
Now that I've found you, stay  
And let me love you, baby  
Let me love you

You're just too good to be true  
I can't take my eyes off of you  
You're just like heaven to touch  
I wanna hold you so much  
At long last love has arrived  
And I just thank God I'm alive  
You're just too good to be true  
I can't take my eyes off of you

I love you, baby  
And if it's quite alright  
I need you, baby  
For the lonely nights  
I need you baby  
Just know that it's true, yeah

Oh, pretty baby  
Don't hold me down, I pray  
I need you baby  
Now that I've found you, stay  
And let me love you, baby  
Let me love you
