

Different Kind Off Love

Shawn Mendes

Guess there's something about it
That I can't explain
We could see other people
But it's never the same
You can be in Toronto
And I can be in LA
And we can wait too long
But it's never too late

And if twenty years went by without you
I know our feelings wouldn't change
We've got that different kind of love
That's stronger than the both of us
No matter what
We've got that diferent kind of love
We've got that
We don't have to talk
To know this love will never stop
No matter what
We've got that diferent kind of love

We try to deny it
Ever since we were kids
Yeah we both tried to fight it
But we never win
We tell everybody, yeah
That we were just friends
But the more that I kiss you
The less it makes sense

And if twenty years went by without you
I know our feelings wouldn't change
We've got that different kind of love
That's stronger than the both of us
No matter what
We've got that diferent kind of love
We've got that
We don't have to talk
To know this love will never stop
No matter what
We've got that diferent kind of love

Oh we got it
Oh we got it
Oh we got that different kind of love
Oh we got it
Oh we got it
Oh we got that different kind of love

We've got that different kind of love
That's stronger than the both of us
No matter what
We've got that diferent kind of love
We've got that
We don't have to talk
To know this love will never stop
No matter what

We've got that diferent kind of love

Oh we got it

Oh we got it

Oh we got that different kind of love

Oh we got it

Oh we got it

Oh we got that different kind of love
