

# Eye Of The Storm

Shawn Mendes

This morning I was listening to your heartbeat singing songs  
I see you right beside me, but you're hardly here at all  
You hate me 'cause I'm pulling off the covers picking you up out of this bed  
I promise that it's only 'cause I love you so bad

And darling, I know that it's dark  
But you're safe out here in my arms  
I'll be right by your side  
In the eye of the storm  
And darling, I know that it's hard  
Hold you close when it all falls apart  
I'll be right by your side  
In the eye of the storm
