

# Heartbeat

Shawn Mendes

I look into the stars at night  
The only substitution when it's not your eyes, yeah

Can't get enough, it's official  
I want a lot and not a little  
If we keep it us, it's so simple  
Wherever you are, wherever you are

Heartbeat  
It speeds up whenever you want me  
What you got, I want it like all week  
I need that, I wanna be wherever you are, wherever you are  
Heartbeat  
It speeds up whenever you want me  
What you got, I want it like all week  
I need that, I wanna be wherever you are, wherever you are

It's twenty minutes 'til I'm home  
And tell me all the ways you wanna make this go

Now I can't get enough, it's official  
I want a lot and not a little  
If we keep it us, it's so simple  
Wherever you are, wherever you are

Heartbeat  
It speeds up whenever you want me  
What you got, I want it like all week

I need that, I wanna be wherever you are, wherever you are  
Heartbeat  
It speeds up whenever you want me  
What you got, I want it like all week  
I need that, I wanna be wherever you are, wherever you are

Na-na-na-na-na, na-na-na-na-na  
Na-na-na-na-na, na-na-na (Yeah)  
Na-na-na-na-na, na-na-na-na  
Wherever you are, wherever  
Na-na-na-na-na, na-na-na-na  
Na-na-na-na-na, na-na-na-na-na  
Na-na-na-na-na, na-na-na-na  
Wherever you are, wherever you are

Heartbeat  
It speeds up whenever you want me  
What you got, I want it like all week  
I need that, I wanna be wherever you are, wherever you are  
Heartbeat  
It speeds up whenever you want me  
What you got, I want it like all week  
I need that, I wanna be wherever you are, wherever you are

Heartbeat  
(What you got, I want it like) All week  
What you got, I want it like all week  
Wherever you are, wherever you are
