

In Between

Shawn Mendes

If I'm not all in, then I'm all out
And it's never gonna happen if it doesn't right now
If it doesn't end with a ring, is it just sex?
If it isn't black-and-white, then it's onto the next

But what about the in-betweens?
You laying your head on me
Living for the next time that we touch
Isn't that enough? Mm

You were saying, "Guess I'll see you never," with tears in your eyes
It's so like you to get clever when you don't wanna cry
The way you hold a pen could make me fall in love
But I'm not there yet, so to you, it doesn't mean too much

What about the in-betweens?
You laying your head on me
Having someone close to you, you trust
Isn't that enough? Mm

Isn't that enough?
Isn't that enough?
Isn't that enough?

If I called tonight, will you pick up?
'Cause you're on my mind, isn't that enough?
