

Never Be Alone/Hey There Delilah

Shawn Mendes

Woah...

(New York City sing that out)

Woah...

I promise that one day I'll be around

I'll keep you safe

I'll keep you sound

Right now it's pretty crazy

And I don't know how to stop or slow it down

But hey

I know there are some things we need to talk about

But I can't stay

Just let me hold you for a little longer now, yeah

(Sing it out)

Take a piece of my heart

And make it all your own

So when we are apart

You'll never be alone, oh

Woah...

You'll never be alone

When you miss me close your eyes

I may be far but never gone

When you fall asleep tonight just remember that we lay under the same stars

And hey

I know there are some things we need to talk about

But I can't stay

Just let me hold you for a little longer now

And take a piece of my heart

And make it all your own

So when we are apart

You'll never be alone

Woah...

Hey there Delilah

What's it like in New York City?

I'm a thousand miles away

But girl, tonight you look so pretty

Yes you do

Times Square can't shine as bright as you

I swear it's true

Hey there Delilah

Don't you worry about the distance

I'm right here if you get lonely

Give this song another listen

Close your eyes

Listen to my voice, it's my disguise

I'm by your side

(Sing!)

Oh it's what you do to me

(Stay with me)

Woah...

(Can you guys clap your hands along to that)

Woah...

(Do not stop clapping, whatever you do keep on clapping..)

(The goal here is to get every single person in this arena

To sing this as loud as they can. Can we do that?)

(New York, if there's any city in the world that can do that it's you guys s
o.. let's do it)

(Keep on clapping, alright here we go)

Woah...

(Beautiful keep on going!)

Woah...

(You sound absolutely incredible right now! Keep on going sing it!)

(Woah...)

Woah-ah, yeah

(Sing it out)

Woah...

(This last one is all you guys, all yours, sing)

Woah...

And take a piece of my heart

And make it all your own

So when we are apart

Never be alone. (Oh, yeah)

You'll never be alone

(I love you guys, thank you so much)
