

# Rollin' Right Along

Shawn Mendes

Rollin', rollin', rollin' right along  
Rollin', rollin', rollin' right along  
Doesn't matter if I'm right or if I'm wrong  
Rollin' right along

I was tryna grow up way too fast  
When time's the only thing I can't get back  
I'm strapped in for the ride  
Life goes on  
Rollin' right along

Might lose my way  
Gone, gone, gone  
But I'm gonna stay  
Rollin' right along

Two years since I held my baby tight  
Learned my heart can break, and that's alright  
'Cause I'm not the only one  
Who's moving on  
Rollin' right along

Might lose my way  
Gone, gone, gone  
But I'm gonna stay  
Rollin' right along

Rollin' right along

Rollin', rollin', rollin' right along  
Rollin', rollin', rollin' right along  
Sometimes there's nothing left to say, oh  
Rollin' right along  
Rollin' right along  
Rollin' right along  
Rollin' right along
