

## Say Something (Christina Aguilera)

Shawn Mendes

Say something, I'm giving up on you  
I'll be the one if you want me to  
Anywhere I could of followed you  
Say something, I'm giving up on you

And I, am feeling so small  
voice over my head  
I know nothing at all

And I, will stumble and fall  
I'm still learning to love  
Just starting to crawl

And say something, I'm giving up on you  
I'm sorry that I couldn't get to you  
Anywhere I would've followed you  
Say something, I'm giving up on you

And I, will swallow my pride  
You're the one that I want  
And I'm saying goodbye

And say something, I'm giving up on you,  
And I'm sorry that I couldn't get to you  
Anywhere I could've followed you

Say something, I'm giving up on you  
Say something, I'm giving up on you

I'll be the one if you want me to  
and Anywhere I could've followed you  
and say something, I'm giving up on you
