

## Thinking Out Loud (Ed Sheeran)

Shawn Mendes

When your legs don't work like they used to before  
And I can't sweep you off of your feet  
Will your mouth still remember the taste of my love  
Will your eyes still smile from your cheeks

Darlin I will be lovin' you till we're seventy  
Baby my heart could still fal as hard at twenty-three  
I'm thinking about how  
People fall in love in mysterious ways  
Maybe just the touch of a hand  
Oh me, I fall in love with you every single day  
And I just wanna tell you I am

So honey now  
Take me into your lovin' arms  
Kiss me under the light of a thousand stars  
Oh darling  
Place your head on my beating heart  
And I'm thinking out loud  
Maybe we found love  
Right where we are

When my hairs all but gone  
And my memory fades  
And the crowds don't remember my name  
When my hands don't play the strings  
the same way, mmm  
I know you will still love me the same

'Cause honey your soul  
Could never grow old  
It's evergreen  
And baby your smile's  
Forever in my mind in memory

I'm thinking about how  
People fall in love in mysterious ways  
And maybe it's all part of a plan  
Oh me, I fall in love with you every single day  
And I just wanna tell you I am

That baby now  
Take me into your loving arms  
Kiss me under the light of a thousand stars  
Oh darling  
Place your head on my beating heart  
I'm thinking out loud  
Maybe we found love  
Right where we are
