

## Why Why Why

## Shawn Mendes

Opened up my journal to a page  
Everything that hurts me's still the same  
Feels like there's nothing new for me to say  
Why, why, why?  
Why, why, why?

Sweating through the sheets, shakin' in bed  
Visions of her naked in my head  
But I went off and chose myself instead  
Why, why, why?

Ease my mind

I don't know why, I  
I don't know, I don't know why  
Why, why, why?

I stepped off the stage with nothing left  
All the lights were fuckin' with my head  
But here I am, singing songs again  
Why, why, why?

Ease my mind

I don't know why, I  
I don't know, I don't know why  
Why, why, why?  
Why, why, why?

Feels like everything goes round and round and round and round and ro  
und it goes

Feels like everything goes round and round and round and round and ro  
und it

Thought I was about to be a father  
Shook me to the core, I'm still a kid  
Sometimes I still cry out for my mother  
Why, why, why?  
Why, why, why?

I don't know why, I  
I don't know, I don't know why  
Why, why, why?  
Why, why, why?

Feels like everything goes round and round and round and round and ro  
und it goes

Feels like everything goes round and round and round and round and ro  
und it goes
