

# Wonder

Shawn Mendes

I wonder if I'm being real  
Do I speak my truth or do I filter how I feel?  
I wonder, wouldn't it be nice  
To live inside a world that isn't black and white?  
I wonder what it's like to be my friends  
Hope that they don't think I forget about them  
I wonder, I wonder

Right before I close my eyes  
The only thing that's on my mind  
Been dreaming that you feel it, too  
I wonder what it's like to be loved by you, yeah  
I wonder what it's like  
I wonder what it's like to be loved by

I wonder why I'm so afraid  
Of saying something wrong, I never said I was a saint  
I wonder, when I cry into my hands  
I'm conditioned to feel like it makes me less of a man  
And I wonder if some day you'll be by my side  
And tell me that the world will end up alright  
I wonder, I wonder

Right before I close my eyes  
The only thing that's on my mind  
Been dreaming that you feel it, too  
I wonder what it's like to be loved by you, yeah  
I wonder what it's like  
I wonder what it's like to be loved by you  
I wonder what it's like to be loved by you, yeah  
I wonder what it's like to be loved by you  
I wonder what it's like to be loved by

Right before I close my eyes  
The only thing that's on my mind  
Been dreaming that you feel it too  
I wonder what it's like to be loved by you
