

## Mac N' Cheese

Shawn Wasabi

I like it  
I think I like it  
I like it  
I like it

I like it  
Uh-huh I like it  
I like it

I like it  
Uh-huh I like it  
I like it

I like it  
Uh-huh I like it

Surprise, motherfucker  
Get down!  
Get down!  
Get down!  
Get down!  
And my  
Rock rock and me  
Get down!  
Get down!  
Get down!  
Get down!  
I like it  
You win!

I like it  
I like it  
Get down!  
I like it  
I like it

I like it  
I like it  
Like we're gonna die young

Get down!  
Get down!  
Get down!  
Get down!  
And my  
Rock rock and me  
Get down!  
Get down!  
Get down!  
Get down!  
You win (OK!)

Get down!  
Get down!  
Get down!  
Yo  
Get down!

Move your eyeballs  
How you've been?
