Shawty Lo

[Shawty Lo:]

Yeah  
Number two, number three, nobody remembers  
Hashtag number one, champion  
Shawty

I'm the don  
Couldn't be done  
Number one  
Champion  
No excuse  
I refuse  
I will not lose  
Champion, champion  
Champion, champion  
Champion  
Number one  
I will not lose

Fighting made me  
Money made me  
Holiday, May Day  
All for one, one for all  
Number one, champion  
I'm the greatest like Muhammed Ali  
Float like a butterfly, sting like a bee  
It's your time, no excuse  
It's your time, pay per view

I'm the don  
Couldn't be done  
Number one  
Champion  
No excuse  
I refuse  
I will not lose  
Champion, champion  
Champion, champion  
Champion  
Number one  
I will not lose

[Quando:]

Mama made me  
Daddy raised me  
Nineties baby  
The fork with gravy  
They tryna slave us  
But I'm the master  
Bankhead  
Another chapter  
I miss ya papa  
My daddy gone  
Long live the king  
I carry the throne  
Do it with a passion and that's to the last breath of me  
Sixteen summers and they still ain't learned the recipe

Thirty-six five, my nigga still play piano keys  
Boy ain't home forever, nigga still play them backstreets  
Floyd Mayweather fly  
Yeah I got them racks on me  
Built Not Bought  
We an empire, not a faculty

[Shawty Lo:]  
I'm the don  
Couldn't be done  
Number one  
Champion  
No excuse  
I refuse  
I will not lose  
Champion, champion, champion, champion  
Champion  
Number one  
I will not lose
