

Carry & Go

Shaybo

Baby, it was me, but you
Did you forget the things I do?
All the shit that you put me through?
Still, I say I stood by you
Me like a fool, stood beside you

'Cause I can never leave, I can never leave
Because you miss me
You and me, we got history (We got history)
Call me Miss Naïve, call me Miss Naïve
I'm so silly, look at how you treat me

I gotta carry and go, carry and go (Carry and go)
Please leave me alone, leave me alone (Please leave me alone)
I gotta carry and go, carry and go (Carry and go)
Please leave me alone, I'm out on my own (Please leave me alone)

Oh, [?], oh [?]

I'm really done, done (I'm done)
I can't stare anymore-more (Anymore)
I won't answer when you call, call

Anytime you need me, don't call
I'm drinkin' till tomorrow
Drownin' in our sorrows
Don't know if I should leave or go
Baby, I need time off
Baby, I need time off

'Cause I can never leave, I can never leave
Because you miss me
You and me, we got history
Call me Miss Naïve, call me Miss Naïve
I'm so silly (I'm so silly), look at how you treat me (Look at how you treat me)
