

Crocs

Shaybo

Walkin' comfy in Crocs
White socks, bitch, I still look hot
Shipment takin' too long
Been waitin' for my Fashion Nova top
(Hargo Production)
Ah

Can't catch him with no broke nigga
Must have me twisted like Oliver
All I really need is a dope dealer
With one iPhone and a Nokia
Can't catch him with no fake bitch
Who knows I look mad but won't say shit
I wear all drip, no fake tings
Read my lips, no paigons
All these bitches, they hatin'
'Cause it's money I'm making
Plus my arse he be shakin'
All the gangstas, they ratin'
Why? I'm a badass bitch
Draw me out like a patent
Catch you lackin', I'm waitin'
Whoop your arse, I ain't playin'
All my opps, I don't rate 'em
Why? I'm a badass bitch

Walkin' comfy in Crocs
White socks, bitch, I still look hot
How much money you got?
I got way more than you got
Shipment takin' too long
Been waitin' for my Fashion Nova top
Go to Novikov
Yeah, yeah, I know you know the spot
Walkin' comfy in Crocs
White socks, bitch, I still look hot
How much money you got?
I got way more than you got
Shipment takin' too long
Been waitin' for my Fashion Nova top
Go to Novikov
Yeah, yeah, I know you know the spot

Don't chase man, I'm chasin' checks
Tell student loan, I ain't paying my debt
No punk arse ho gon' see me sweat
No broke arse boy gon' make me wet
So down to earth, you say you love me to the core
Come ride the wave and let's see if you're sure
If he don't ball, then he won't score
When he callin', I ignore
Look, I'm sexy, yeah, yeah, it's undeniable
Don't need protectin', I told my man, "Don't worry, I'll ride for you"
If he don't like you, I don't like you too
Gold heart and my hair is glue
Dare a chick to try act a fool
If there's no paper, I ain't cuttin' through

Walkin' comfy in Crocs
White socks, bitch, I still look hot
How much money you got?
I got way more than you got
Shipment takin' too long
Been waitin' for my Fashion Nova top
Go to Novikov
Yeah, yeah, I know you know the spot
Walkin' comfy in Crocs
White socks, bitch, I still look hot
How much money you got?
I got way more than you got
Shipment takin' too long
Been waitin' for my Fashion Nova top
Go to Novikov
Yeah, yeah, I know you know the spot
