Shaybo

Dem all call me the sensei  
In my zone, ayy, yeah, yeah

Baby, mi want yuh so, so bad  
Say yuh know that yuh sweet like (Sweet like), taboo (Taboo), oh my God  
You ah call out (Call out)  
My name, you ah call out (Hey)  
Give mi the Henny one time, mi ah pour out (Wah yuh seh?)  
Know what yuh need every time that we fall out (Fall out)  
Ball out (Ball out), ball out (Easy)  
Mi nuh really know what dey want from me (Wah?)  
But I really know what I want from you  
You are the one with it too (Wah dey call?)

Dey call a mood (Mmm)  
How can we lose? (Oh, oh, mmm, wha?)  
Friendly

Mi never leave you to empty  
Just blow the sensi  
We can get friendly (Friendly)  
You were searchin', they sent me  
Coming correctly  
We can get friendly (We can get friendly)

Yeah  
Nah, nigga, I ain't friendly  
What's the point of puttin' the time in when you're temporary?  
Please, I ain't even decided if you're sexy  
I know I need to ball out, but I hope he ain't messy  
Please, don't name her, I don't care who the ex be  
He phone me, say he like it when she comin' to the gaff  
He wanted us three to have a little chat  
He said, "Wait, Shay, how about your man?"  
Don't worry 'bout me, I got a five-day pass  
If you want somethin' from me, baby, just ask  
Come here kya-kya, come here fast  
VVS drip, how my diamonds dance  
These other girls are sick, but they ain't got not ass (Ass, ass, ass)

Mood (Mmm)  
How can we lose? (Oh, oh, mmm, wha?)

You better watch the way you talk to me  
'Cause you are not the boss, you can't afford to be  
If a queen delegates, move accordingly  
Even when I look high, they all fall for me, because it's me  
I'm an alpha female, wear expensive retail  
Better look after me and pay for refills

Takin' a chance with me, but I'm a mean girl  
Don't leave your card with, I'll teeth the details  
I'm winnin' (Wi- wi- winnin')  
Bitch, fuck you 'cause you doubt from the beginnin' (The beginnin')  
No one better shot me, I'm chillin' (Chillin')  
I've always been attracted to the villains  
That's why I fell in love with a nigga from prison

Mood (Mmm)  
How can we lose? (Oh, oh, mmm, wha?)

I, I, I  
Not really friendly, but I'll try-y-y  
If you protect me all the time  
No steppin', I'll align  
I don't take shit from no guy  
I won't even let them try  
Don't try, don't try
