

Good Time

Shaybo

I miss the days when you and me were us
You know I'm really comfy on my ones
I ain't even really gonna front
You were my everything, you were my one
I was sharin' everything I had to tell
Gotta keep my secrets to myself
Missin' you be dangerous for my health
I gotta live my life and live it well

(Ah-ah, ah-ah) Let me live
(Ah-ah, ah-ah) I just wanna be free
(Ah-ah, ah-ah) Let me live
(Ah-ah, ah-ah) I just wanna do me

I just wanna live my life
I don't wanna beef or fight
I just want peace of mind
Guess I'll just need some time
I'm goin' out my mind thinkin' of you and I
Thinkin' of you and I
Thinkin' of those good times

(Ah-ah, ah-ah) Let me live
(Ah-ah, ah-ah) I just wanna be free
(Ah-ah, ah-ah) Let me live
(Ah-ah, ah-ah) I just wanna do me

Can't you see you're messin' with a queen?
I could be the woman of your dreams
Baby, I could give you anything
I don't even know what that means
But right now, I'm takin' care of me
Before I fall for you, I gotta fall for me
Before I give to you, I gotta give to me
And I'ma give me everything

(Ah-ah, ah-ah) Let me live
(Ah-ah, ah-ah) I just wanna be free
(Ah-ah, ah-ah) Let me live
(Ah-ah, ah-ah) I just wanna do me

I just wanna live my life
I don't wanna beef or fight
I just want peace of mind
Guess I'll just need some time
I'm goin' out my mind thinkin' of you and I
Thinkin' of you and I
Thinkin' of those good times
