Shaybo

Don't cross, don't cross  
I'm from the mud  
Out here, there's no loyalty or trust  
Prove to me that you are one of us  
I'm from the mud  
Out here, there's no loyalty or trust  
Prove to me that you are one of us  
Stop following the crowds because they're lost

I'm from the mud  
Out here, there's no loyalty or trust  
Prove to me that you are one of us  
Stop following the crowds because they're lost  
So lost, so lost  
If I can learn, there's nothing to discuss  
I am not the person that I was  
I cannot afford to lose focus, focus

I don't care how rich I be, I still take DLR  
Do for community, I'll always play my part  
Look, there's no fixin' me, I got a broken heart  
'Cause the people before you, they took it way too far  
No one was pluggin' me, I'm always takin' charge  
I got no time to live, I'm workin' way too hard  
Buildin' a dynasty, I gotta make it large  
There's no day in this life that I don't pray to God

I'm from the mud  
Out here, there's no loyalty or trust  
Prove to me that you are one of us  
Stop following the crowds because they're lost  
So lost, so lost  
If I can learn, there's nothing to discuss  
I am not the person that I was  
I cannot afford to lose focus, focus

I don't care how rich I be, it still won't be enough  
They all rely on me, I'll do anything for us  
Show me some loyalty, don't ever break my trust  
Don't be out in these streets, baby, it's dangerous  
I just pray the snakes will break away from me  
They just take and take and take my energy  
But I don't complain, the way they're drainin' me  
I hope one day, they'll do the same as me

I'm from the mud  
Out here, there's no loyalty or trust  
Prove to me that you are one of us  
Stop following the crowds because they're lost  
So lost, so lost  
If I can learn, there's nothing to discuss  
I am not the person that I was  
I cannot afford to lose focus, focus

I don't care how rich I be
