

I Believe In Peace

James Shayfer

They call my name
Like they know what it means, do you know what I mean?
They ask for blood
Like they're dyin' of thirst, I'm a one-woman church
They want a savior, ha!
I'll be their savior

Give me your poor, your weak, your lost, your hopelessness, your fear
Don't worry, I'm here
Your poor, your weak, your lost, your hopelessness, your fear
Don't worry, I'm here

I believe in peace, but I'll
I'll go to war for you
And I believe in truth, but I
But I would lie for you
I believe in peace, but I'll
I'll go to war for you
And I believe in truth, but I
But I would lie for you

I know how
To cure devastation, I am salvation
I know how
To calm a commotion, see, I am the chosen
They want a savior
I'll be their savior

Give me your poor, your weak, your lost, your hopelessness, your fear
Don't worry, I'm here
Your poor, your weak, your lost, your hopelessness, your fear
Don't worry, I'm here

I believe in peace, but I'll
I'll go to war for you
And I believe in truth, but I
But I would lie for you
I believe in life, but I
But I would kill for you
And I believe in peace, but I'll
I'll go to war

I am a marvel, cut me in marble
Enemies cower when I come around
I'm elemental, build me a temple
Enemies cower when I come around
I am a marvel, cut me in marble (A soldier)
Enemies cower when I come around (A savior)
I'm elemental, build me a temple (A promise)
Enemies cower when I come around (Gonna light the way)
(Gonna light the way)

I believe in peace, but I'll
I'll go to war for you
And I believe in truth, but I
But I would lie for you
I believe in life, but I

But I would kill for you
And I believe in peace, but I'll
I'll go to war for you
