

# Ophelia

James Shayfer

Ophelia's forgotten how to dance  
Ophelia's reminded she should smile

Veil is just a  
Clever word for mask  
Ophelia, remembers how to hide

Oh, sing down, down  
Sing down, down  
Sing down, down

Sing down, down  
Sing down, down, down

Ophelia's forgotten how to love  
Ophelia's reminded not to scream

And promises  
Are clever ways to bluff  
Ophelia, remembers how to dream

Sing down, down  
Sing down, down  
Sing down, down

Sing down, down  
Sing down, down  
Sing down, down

(Ophelia's) Ophelia's forgotten how to sleep  
(Ophelia's) Ophelia's reminded not to grieve

Have and hold  
Are clever word for keep  
(Ophelia) Ophelia remembers how to leave

Oh, sing down, down  
Sing down, down  
Sing down, down, down

Ophelia's forgotten how to dance  
Ophelia's remembers how to leave
