

Christmas Memories

She & Him

Singing carols, stringing popcorn
Making footprints in the snow
Memories, Christmas memories
They're the sweetest ones I know

Cookies baking in the kitchen
Cards and ribbons everywhere
Frosty, Christmas memories
Float like snowflakes in the air

And oh, the joy of waking Christmas morning
The family round the tree
We had a way of making Christmas morning
As merry as can be

I close my eyes and see...

Shining faces of all the children
Who now have children of their own
Funny, but come December
And I remember every Christmas I've known

Shining faces of all the children
Who now have children of their own
Funny, but come December
And I remember every Christmas I've known
