

# I'll Never Be Free

She & Him

Each time I hold somebody new  
My arms go cold aching for you  
No one can take your place  
Darlin' in my embrace  
I'll never be free

And when my lips burn with desire  
No other kiss can put out the fire  
Thought I may try and try  
No one can satisfy  
This longing in me

I'll never be free from your smile so tender  
Sweet surrender in your eyes  
How can I be free when I still remember  
How you could thrill me with a sigh

Just like a chain bound to my heart  
Your love remains when we're apart  
Each kiss I give to you  
Made me a slave to you  
I'll never be free

When my lips burn with desire  
No other kiss can put out the fire  
Thought I may try and try  
No one can satisfy  
This longing in me

I'll never be free from your smile so tender  
Sweet surrender in your eyes  
How can I be free when I still remember  
How you could thrill me with a sigh

Just like a chain bound to my heart  
Your love remains when we're apart  
Each kiss I give to you  
Made me a slave to you  
I'll never be free
