

Lotta Love

She & Him

It's gonna take a lotta love
to change the way things are
it's gonna take a lotta love
or we won't get too far

so if you're looking in my direction
and we don't see eye to eye
my heart needs protection
and so do I

it's gonna take a lotta love
to make it through the night
it's gonna take a lotta love
or we won't work out right

so I hope you're out there waiting
and I hope you show up soon
because my head needs relating
not solitude

it's gonna take a lotta love
