

## Would You Like to Take a Walk?

She & Him

Mmm, would you like to take a walk?  
Mmm, wouldn't it be nice?  
Mmm, how about a sarsaparilla?  
Gee, the moon looks yellow  
Something good will come from that

Mmm, have you heard the latest song?  
Mmm, it's a very pretty strain  
Mmm, are you getting kinda thrilly?  
Look, it's getting chilly  
But something good will come from that

When you're strolling through the wheresis  
You need a whosis to lean upon  
But if you got no whosis  
To hug and whatsis, gosh darn oh

Mmm, would you like to take a walk?  
Mmm, do you think it's gonna rain? (Oh I don't know)  
Mmm, ain't you sick of television?  
I wish that I was fishin'  
but something good will come from that  
Something good will come from that
