

# Don't Say It

Shealeigh

In the lobby  
I am lonely  
In the front seat  
I am floating  
Out of sight  
Out of mind  
In my own dreams

Don't say it  
Don't say it  
Don't say it yet

Everything changes  
I don't wanna be afraid of it  
But it's moving faster  
And you're moving farther

Don't say it  
Don't say it  
Don't say it yet

Don't say it  
Don't say it  
Right before the light changes  
In the dark, I'll be your favorite  
In the dark, I'll be your favorite  
Oh, this is how we end tonight  
Saving all the best soundbites  
'Cause we don't wanna move  
And we don't wanna fight  
When the morning comes, it'll be all right

If you don't say it  
Don't say it  
Don't say it yet  
If you don't say it yet
