

Will I Ever

Sheb Wooley

Will I ever see the sunshine bright will I ever see the gold mo
onlight

Will I ever will I ever again

Will I ever taste happiness will I ever forget loneliness

Will I ever will I ever again

Will I ever know your love again will I ever smile or laugh aga
in

Will I ever or will I never again

Will I ever see your eyes divine will I ever feel your lips on
mine

Will I ever will I ever again

Will I ever know your love again
