Her boyfriend so fuckin' tight, his bitch club, it get shot up
Sheck Wes, man, I'm comin' through, 50 Locs and 40 toes
When I get back to USA, man, I'ma do like 40 hoes
They locked me up in Africa, and they cut a nigga head
When I first got to Africa, all the people, man, they stared, man
Everywhere I go they talkin' shit, but I don't care
'Cause, man, I don't talk no shit, we about that action here
Oh my God, it's Sheck Wes, he's so dark and so attractive
These bitches got loose lips 'cause they know that Sheck Wes packin'
My toes not [?], all hoes eat beef, man
After one night with Sheck Wes, all bitches be beefin'
Man used to model, Sheck Wes hit the runways
Sheck Wes, I stopped modellin', my mama called me KK
Man, I ain't stop modellin' 'cause Sheck Wes, I get paid, paid
I just call my agent, we just count all the money
Sheck Wes, he so ignorant, you can't tell that nigga nothin'
These niggas would get so fly with they pockets havin' nothin'
They just be gettin' fly 'cause they like to be frontin'
In my teeth be no chicken wings, it's a 6-piece, I be frontin'
I'ma get my mom a crib, I'ma get my daddy bread
I'ma get my sister a whip 'cause they just always been there
I'ma get my hood new courts, I'm get my hood new parks
'Cause I remember beatin' doors 'cause them gangsters was movin' rock
I remember when niggas was united, they was only shootin' cops
Now these niggas beefin' over bitches, so they shoot at blocks
If it ain't no money or my defense, I ain't shootin' Glocks
'Cause a bitch ain't put no bread up on my shoes, my chain, and watch
