Shed Seven

there are things that i regret like being called a nervous wreck and working up another sweat for you there's nothing that i can do for counterparts and bleeding hearts and all the things that fall apart for you i don't keep my secrets there i hide them everywhere i could deny but i'll never realise i'm just chasing rainbows all the time i could deny but i'll never realise i've been chasing rainbows all my life

and then i missed my cue everybody had a laugh and then went for an early bath did you i don't keep my secrets there i hide them everywhere
