

## Our House

Sheena Easton

I'll light the fire  
You place the flowers in the vase  
That you bought today  
Staring at the fire  
For hours and hours  
While I listen to you  
Play your love songs  
All night long for me  
Only for me

Our house is a very, very fine house  
With two cats in the yard  
Life used to be so hard  
Now everything is easy  
'cause of you

Ooh-wa la la la la la la

I'll light the fire  
You place the flowers in the vase  
That you bought today

Come to me now  
And rest your head for just five minutes  
Everything is good  
Such a cosy room  
The windows are illuminated  
By the sunshine through them  
Fiery gems for you  
Only for you
