My sugar walls
My sugar walls

Where I come from there's a place called Heaven That's the place where all the good children go The houses are of silver, the streets of gold But there's more where you come from my sugar walls

My sugar walls My sugar walls

Blood races to your private spots Let me know there's a fire You can't fight passion when passion is hot Temperatures rise inside my sugar walls

Let me take you somewhere, you've never been I could show you things you've never seen Well, I could make you never wanna fall in love again Come spend the night inside my sugar walls

Take advantage
It's alright

I feel so alive when I'm with you Come and feel my presence It's reigning tonight Heaven on Earth inside my sugar walls

Let me take you somewhere, you've never been Well, I could show you things you've never seen Well, I could make you never wanna fall in love again Come spend the night inside my sugar walls

I can tell you want me It's impossible to hide Your body's on fire Admit it come inside

My sugar walls My sugar walls Come inside My sugar walls My sugar walls

My sugar walls Come spend the night inside My sugar walls

My sugar walls My sugar walls
