

# That's What Friends Are For

Sheena Easton

While you're gone boy  
Do you wonder how I spend my day  
Thinkin' 'bout you  
And maybe in a special way  
I can show you how I miss you  
More and more  
Cause after all that's what friends are for

Are you tired  
Do you think that you would like to nap  
By the fire  
I will hold you gently in my lap  
And I'll count the minutes  
Till you weep no more  
Cause after all that's what friends are for

All I want to do  
Is to make life a little better for you  
So I try so hard  
To keep what's ours together  
There never could be  
Another for me

Are you hungry  
Do you think that you could use some wine  
And music takes you  
Did you have a certain thing in mind  
Dinner, wine and music  
Starts to bore  
Fluff the pillows  
On the floor and more  
Cause after all that's what friends are for
