

# The First Touch Of Love

Sheena Easton

You, you say I'm too tough  
But I only know what I've learned  
Fall just once, and don't go down in flames  
That's all it takes to get burned  
I don't intend  
To go through life all alone  
Until I can find  
A heart that's tender and strong  
I'll make it on my own

I'm waiting for the first touch of love  
Only a fool would expect me to fall  
Before I feel the first touch of love  
Give me a reason and I'll risk it all for love  
...for love

You, you don't give me much  
I couldn't get for myself  
Just words, used up and tired  
That I bought from somebody else  
I'll let down my guard  
When I believe what you say  
You're trying too hard  
You can't rush me this way  
When it's right I'll stay

I'm waiting for the first touch of love  
Only a fool would expect me to fall  
Before I feel the first touch of love  
Show me you're real and I'll show you my heart  
I'm waiting for the first touch of love  
Only a fool would expect me to fall  
Before I feel the first touch of love  
Give me a reason and I'll risk it all for love

I'll let down my guard  
When I find someone to trust  
You're pushing too hard  
Sweet talk just ain't enough  
What's the rush boy
