

Lemon Cake

Sheila E.

Sitting here just chilling
To the vibe
Feeling alright
I could do this all day
All night
It's not like I had a choice in this
The taste you left on my lips
It's so amazing
Let's go dancing

Cause everything I do
I do for you
I just want to stick to you like glue
Yeah, yeah, I know it's you
Though I thought that we were through

But can't stop thinking of you
Can't stop thinking of you, no
Can't stop thinking of you
Can't stop thinking of you, no
Can't stop thinking of you
Can't stop thinking about you too
Everything I do
Every single thing I do for you

Boy, he loved my lemon cake
Blame it on the lemon cake
Yes, he loved the lemon cake
Royalty and lemon cake

Late at night
Is when I want you the most
Don't want no eggs
Orange juice or toast
Just looking at ya
Licking my lips
I can't do this
Till I get the kiss
Mmm, crumbs, crumbling down
I just want you all around

Everything you do
You do to me
Inch by inch
But honestly
Do I dare
Yes, I care
'Cause all I do is think of you

Can't stop thinking of you
Can't stop thinking of you, no
Can't stop thinking of you
Can't stop thinking of you, no
Can't stop thinking of you
Can't stop thinking about you too
Everything I do
Every single thing I do for you

Boy, he loved my lemon cake
Blame it on the lemon cake
Yes, he loved the lemon cake
Royalty and lemon cake

Come on let's bake this cake
(Can't stop, can't stop...)
Come on let's bake this cake
(Can't stop, can't stop...)

Boy, he loved my lemon cake
(Can't stop, can't stop)
Blame it on the lemon cake
(Can't stop, can't stop)
Oh, he loved my lemon cake
(Can't stop, can't stop)
'Cause he's in love with my lemon cake
(Can't stop, can't stop)
Prince, he loved my lemon cake
(Can't stop, can't stop)
Blame it on the lemon cake
(Can't stop, can't stop)
