

Mi Amor

Sheila E.

A quarter past midnight, I heard your voice say
Can we stay up till the break of light, no one can get in our way
I traveled across the ocean, here to Europe just to play
Mi corazón you are my heart and I, I'm here to stay

Mi Amor, so let's get carried away
Mi Amor, like a radio wave
Mi Amor, like a queen and a king
Mi Amor
Make them jealous as we
Do the thang, do the thang, do the thang
Do the thang, do the thang, do the thang
We gotta, do the thang, do the thang, do the thang
Do the thang, do the thang, do the thang

Everybody loves you from London to L.A
Bienvenidos a Los Angeles
Yeah, you got me Diego... oops, I meant José
Let's drive down to Monaco, see the crimson of the moon
Mi corazón or we could stay right here
Till the flowers bloom

Mi Amor, so Let's get carried away
Mi Amor, like a radio wave
Mi Amor, like a queen and a king
Mi Amor
Make them jealous as we
Do the thang, do the thang, do the thang
Come on, do the thang, do the thang, do the thang
We gotta, do the thang, do the thang, do the thang

Say goodbye to what is real, don't ask me why, show me how you feel
Say goodbye to what is real, don't ask me why
Do the thang, do the thang
Do the thang, do the thang
Do the thang, do the thang

Mi Amor, mi Amor, mi Amor
Like a king and a queen
Mi Amor, don't get jealous as we
Mi Amor, do our thang
Mi amor do that thang, do that thang, do that thang
Mi amor do that thang, do that thang
